DETAILED ACTION

Request for Continued Examination

1. The request filed on Dec. 15, 2003 for a Request for Continued Examination (RCE) under 37 CFR 1.114 based on Application No.10/083,515 is acceptable and a RCE has been established. An action on the RCE follows.

Allowable Subject Matter

2. Claims 1-13 are allowed.
3. The following is an examiner's statement of reasons for allowance:

The primary reason for the allowance of claims 1-7 is the inclusion of the limitation of a body (component) for the two-wheeled motor vehicle, wherein the body (component) for holding the unit case. It is this limitation found in each of the claims, as it is claimed in the combination, that has not been found, taught or suggested by the prior art of record which makes these claims allowable over the prior art.

The primary reason for the allowance of claims 7-13 is the inclusion of the limitation of the helical antenna extending from the exterior surface of the unit case and projecting out from the interior space through an aperture to an outer side of the component for receiving radio waves. It is this limitation found in each of the claims, as it is claimed in the combination, that has not been found, taught or suggested by the prior art of record which makes these claims allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
